The Minnesota UU Social Justice Alliance is a multi-congregational organization with a mission to bring together UUs to work collectively for social change by: ♦ Building a strong and lasting social justice organization. ♦ Preparing UUs to use a *reflection, action, collaboration* model of social change. ♦ Developing a distinctly UU moral voice, based on a deep exploration of our UU values and legacy. ♦ Waging campaigns in coalition with interfaith and secular partners to achieve winnable *systemic* change. ♦ Shifting the political climate toward a social agenda that serves the common good.

Currently, Issue Campaigns focus on sustainable energy, reproductive rights, civil marriage, and voting rights. Leadership Development focuses on Worldview: the three faces of power. Our aim is social change and our work has made a difference! This year we involved over 300 UUs statewide in fighting against a constitutional ban on same sex marriage and we worked hard to promote passage of a renewable electricity standard, collecting nearly 800 signed postcards in targeted precincts. We also sponsored a three-part educational series for UUs on using worldview as a powerful tool for social change. We're funded by the UU Service Committee, the UU Funding Program, and local UU congregations, members and friends. Our Fiscal Sponsor is the UU Prairie Star District.
